West Corporation Announces 2004 Financial Outlook

Company Also Announces Opening of New Contact Center in Manila, Philippines

OMAHA, Neb., Dec 16, 2003 /PRNewswire-FirstCall via COMTEX/ -- West Corporation (Nasdaq: WSTC), a leading provider of outsourced communication solutions, today announced its financial guidance for 2004. The company expects to report revenues in the range of \$1,075 to \$1,130 million, and net income between \$98 and \$106 million for the fiscal year ending December 31, 2004.

Additional 2004 Guidance:

- The company's Communications Services segment is expected to report revenues between \$803 and \$845 million. The expectations for the division have been reduced by approximately \$30 to \$35 million following a client's recent decision to bring the calls managed by West in-house. This transition is expected to begin at the end of the first quarter 2004.
- The company's Conferencing Services segment is expected to report revenues in the range of \$272 to \$285 million.
- These results are expected to yield pre tax margins between 14.5% and 15%.
- Cash Flow from Operations is predicted to be in the range of \$180 to \$200 million.
- Capital expenditures are expected to be between \$60 and \$70 million.
- The company's 2004 guidance assumes no acquisitions or additional changes in the current operating environment.

West expects to open its first contact center in Manila, Philippines in February 2004 with 400 workstations. The company expects to continue to expand its offshore operations to take advantage of high quality, economical labor markets. The Manila facility has two hundred and fifty workstations committed to an existing client and is capable of growing to about 800 workstations.

Conference Call

The company will hold a conference call to discuss earnings on December 17th at 10:00 AM central time. Investors may access the call by visiting the Investor Relations section of the West Corporation website at www.west.com and clicking on the Live Webcast icon. If you are unable to participate during the live webcast, a replay of the call will also be available on the website.
